Health District	Central	Eastern	NE	NW	SE	SW	YTD	Last Season YTD
School Closings							0	1
Community Outbreaks							0	0
LTC Facility Outbreaks							0	2
Other Outbreaks							0	0

Week: 1	For the Week Ending: January 5, 2002			
	Season-to-date	Week 1	Week 1 Last Season*	10 Year Median
Pneumonia & Influenza Deaths	381	10	40	46

Week: 2		For the Week Ending: January 12, 2002			
U.S. Influenza Sentinel Physicians Surveillance Network	Age 0-4	Age 5-24	Age 25-64	Age 65+	Total Patients Seen
Influenza-like illness for week	0	9	11	6	2954

The recently implemented High Alert Surveillance System (HASS) has replaced the Sentinel Active Surveillance System (SASS) reporting method for influenza-like illness in some counties. The Active Surveillance Table illustrating influenza-like illness and pneumonia-like illness has been removed from this report. Future inclusion of HASS respiratory illness data is under consideration.

**Sources of Data:** Laboratory confirmed cases are reported to the Missouri Department of Health and Senior Services (DHSS) passive communicable disease surveillance system through the disease registry. Suspected influenza clusters and outbreaks are reported through the active surveillance system. Pneumonia and influenza deaths are reported through the DHSS Bureau of Vital Records. Influenza-like illness data by age category and total number of patient visits by week are reported voluntarily by participants in the U.S. Influenza Sentinel Physicians Surveillance Network.

\*The influenza season begins with week 40 (week ending October 6, 2001) and ends with week 20 (week ending May 18, 2002). The influenza season for previous years extended from week 46 through week 17. Therefore, the 10-year median is from week 46 through week 17 only.

This report may also be found on the DHSS homepage at [www.dhss.state.mo.us](http://www.dhss.state.mo.us) at Diseases & Conditions. National influenza surveillance information is available from the Centers for Disease Control and Prevention at [www.cdc.gov/ncidod/diseases/flu/weekly.htm](http://www.cdc.gov/ncidod/diseases/flu/weekly.htm).

The Missouri Department of Health and Senior Services after hours emergency number is (573) 751-4674.
